H. Classroom Policies:

1. Attendance is a must. A three-unit course allows a maximum of 9 hours (6 sessions) for cuts. Students who incur more than the maximum number of allowable cuts will automatically be given a grade of W.
2. Deadlines for all requirements should be followed strictly.
3. Missed quizzes, seatwork, and assignments are equivalent to zero. Make-up exams shall only be given for valid reasons (family death, certified hospitalization, national calamities, school representation, etc.).
4. In the event of classes cancelled on a day on which group reports or major exams are scheduled, the affected group presentation or exam will be moved to the next class session. The same goes for the submission of projects or assignments.
5. Active participation and full attention are expected at all times. Students are expected to study and review their lessons, especially the vocabularies, regularly.
6. To avoid class disruptions, all mobile phones must be turned off or put in silent mode during class hours.
